

## Treatment Price List 2012

### Spa Treatments

**Pampering treatment 60 min 60 €**

Treatment of the neck, shoulders, arms and feet with essential oils and warm wrappings. Includes gentle massage of the treated area, approximately 45 min.

**Steam cabin 20 min 16 €**

Soft and humid warm steam will make your body sweat. Stimulates the metabolism and cleans the body.

**Peat treatment for feet 20 min 30 €**

Peat bath for dry and itching skin. Treats the feet from the toes to the knees. Stimulates blood circulation.

**Cold spring, about 8°C, 8 €**

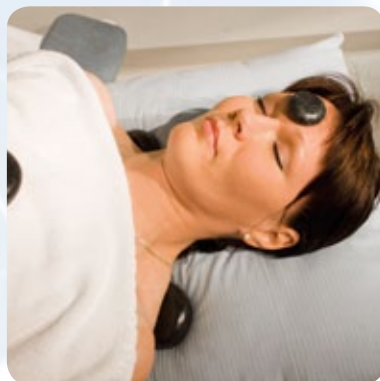

The heart of the Spa. A natural spring; water comes deep from the ground. The water of the spring is renewed spontaneously. Recommended especially after a steam cabin treatment. Stimulates blood circulation, is similar to winter swimming.

**Paraffine treatment for hands 20 min 16 €**

Warm paraffine stimulates blood circulation, makes joints more flexible and softens the skin. Suitable for those suffering from cold hands or joint pain.

**Water jet massage for feet 10 min 16 €**

Excellent for those with circulatory problems in the legs. Alternate hot and cold water jets are applied to the legs. Suitable for treating restless feet, among other conditions.

All treatments include use of the sauna and the recreational pools on the day of the treatment.

## Treatment Price List 2012
